- Research any of the following topics: Hiroshima, Pearl Harbor, Sadako and her memorials, or World War 2, or the author of this book. Use any app you are comfortable with and create a presentation on what you have learned. Some ideas are story kits, poplets, imovie trailers, garage band, or any app you are comfortable with.

- Create a show me video on how to fold a paper crane. (Give step by step instructions!)

- Design a memorial of something that you think is important of a person or people that have passed away. It could be of a family member you have lost, a pet, or of an important sad day in our history. (Some examples are: September 11<sup>th</sup>, Hurricane Katrina, or the Titanic) You may do this on your ipad or draw a sketch of it on a piece of paper and color it.
