Williwaw Chapter 1

Directions: Use your book to answer the following questions in complete sentences. You must start your answer with a capital and end with punctuation (a period, exclamation point or question mark). **ipad research must be done through K-9. IF K-9 is NOT available, please be careful when researching.

1. Describe at least TWO specific ways that Ivan and Sep’s lives are different from your life.
   ______________________________________________________________
   ______________________________________________________________
   ______________________________________________________________

2. Why is the radio so important to Ivan and September?
   ______________________________________________________________
   ______________________________________________________________
   ______________________________________________________________

3. **ipad research** What is a Williwaw?
   ______________________________________________________________
   ______________________________________________________________
   ______________________________________________________________

4. Pick one trait that describes Mr. Mooseburger and give evidence (reasons from the book) to show that it describes him.
   
   **Caring**  **Helpful**  **Responsible**  **Happy**  **Grumpy**
   **Mean**  **Honest**  **Dishonest**  **Irresponsible**  **Other**
   
   Trait: __________
   Evidence (Clues): ______________________________________________________________
   ______________________________________________________________
   ______________________________________________________________
   ______________________________________________________________
5. Dictionary- Look up in the dictionary and write the definition.

Page 8 Wick ____________________________

6. Vocabulary

Use context clues to solve the word. Write down a synonym for the word in bold.

Page 6 “I seen this old tub coming halfway across the bay with my eyeglass.”

Page 8 “That’s why I tried to hail you on the radio last night.”

7. Mystery Word

Solve the Mystery Word (hint: Glorp is NOT a real word!). Use the context clues in the sentence to help you figure out what the real world is.

Ivan and Sep ordered white rice but got brown glorp instead. Glorp means __________

8. Why is September so afraid of a Williwaw storm?

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

9. Write down one word you don’t know from today’s reading. We will go over it tomorrow.

Word ____________________________ Page#___________
Williwaw Chapter 2

Directions: Use your book to answer the following questions in complete sentences. You must start your answer with a capital and end with punctuation (a period, exclamation point or question mark). **iPad research must be done through K-9.

1. What is the most important problem in this chapter? Why is it important?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

2. What should Ivan and Sep do to solve their problem? (What is your solution?)

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

3. What were the two conditions (rules) their father gave Ivan and Sep for staying at home?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
4. ***ipad research** Watch the video on the weebly, under the genre, Williwaw tab, list 2 interesting thing you learned about crab fishing.

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

5. Thinking about ccr question #2, how is the text organized in this book? (Refer to your cheat sheet if you need to.)

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

6. **Mystery Word**- Solve the mystery word (hint: bargle is not a real word!). Use the context clues in the sentence to help you.

Even though he wasn’t supposed to, Ivan hooked up his *bargle* to the battery and ruined the radio. *Bargle* means __________

**Vocabulary (Try Synonyms)**

Directions: Try to solve the word. Use a synonym if you can. Write down your definition of the word in bold. (These are real words in bold)

7. Page 18 “At the mention of their *ornery* neighbor, their dad broke in again, using their radio code for Mr. Berger.” __________

8. Page 21 “Five fishing boats were lost and three badly damaged when the sudden gust tore the *vessels* from their moorings.” __________

9. Write down one word you don’t know from today’s reading. We will go over it tomorrow.
Word ___________________________  Page#________
Williaw Chapter 3

Directions: Use your book to answer the following questions in complete sentences. You must start your answer with a capital and end with punctuation (a period, exclamation point or question mark). ** iPad research must be done through K-9.

1. **Choice**

   Ivan and Sep decide not to go to their Aunt and Uncle’s home after Ivan breaks the radio.

   **Motive (why didn’t they go to their Aunt and Uncle’s house?):**

   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________

   **Was the choice right or wrong? Why?**

   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________

2. **Prediction: Why is Ivan so upset at the end of Chapter 3?**

   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________

3. **How does September feel about the kids in the town? Give evidence for your answer.**

   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________
   ________________________________________________________________
4. Write down a good question. It could be about something you are confused about (I don’t understand how Ivan charged the battery), curious about (What is a loon?), want to know more about (Where is Dutch Harbor?), or a story question (Why does Ivan like games so much? OR How did their Dad know Ivan uses the battery for his game?). No vocabulary questions please! RESEARCH this topic on your ipad and see what you discover!

Question?

________________________________________________________________________

5. Write down a good question. No vocabulary questions please!

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

6. **Mystery Word**- Solve the mystery word. (This is a real word) Use the sentence to help you.

   Ivan and Sep got into the **dory** to row out to get the clams. **Dory** means

   __________

7. Ivan swatted at the **gnats** buzzing around his head and trying to bite him. What are **gnats**? __________

8. Ivan could never get used to the smell of low tide on a warm day. It smelled like a combination of old milk, wet shoes and the stuff dogs roll in all mixed together. It smells_________
   a. wet     b. good     c. fresh     d. bad     e. clean

9. Pushing aside his sister’s hand, Ivan got up and kicked a stone as he yelled. Ivan feels_______
   a. sad     b. happy     c. sore     d. angry

10. Write down one word you don’t know from today’s reading. We will go over it tomorrow.
    Word ______________________                     Page# __________

**Extra Credit**: How many clams do they need to get the $60 for the radio? __________
Williaw Chapter 6

Directions: Use your book to answer the following questions in complete sentences. You must start your answer with a capital and end with punctuation (a period, exclamation point or question mark). **iPad research must be done through K-9.

1. What are two of the chores (not collecting clams) that Ivan and September had to do before their Dad came back?

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

2. The author uses a different technique (text feature) called similes throughout this story. Write one simile you found in today’s reading. Page #__________

________________________________________________________________________

________________________________________________________________________

3. Explain what you think that simile means. (Don’t give me the definition of a simile)

________________________________________________________________________

________________________________________________________________________

4. What might stop Ivan and September from going to town the next morning? Do you think they will be able to go to town?

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________
5. How did the author show that Ivan and Sep are hardworking and determined in this chapter? Give a specific example.

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

6. Write down a good question. RESEARCH and discover the answer! No vocabulary questions please!

Question?________________________________________________________________________

I discovered________________________________________________________________________

Vocabulary (Try Synonyms)
Directions: Try to solve the word. Use a synonym if you can. Write down your definition.

7. After working outside in the rain all morning, Sep and Ivan were drenched. ______

8. Ivan couldn’t wait to go to town the next day. He was very eager to play his game and eat a chocolate milkshake. ____________

9. Ivan hooted when Sep turned red as he teased her. He thought it was very funny. ______

10. Unlike Sep and Ivan, the otters were content to swim around in the rain all day.
    Content means: ____________
    a. wet  b. dry  c. angry  d. sad  e. happy

11. Write down one word you don’t know from today’s reading. We will go over it tomorrow. Word ____________________  Page#__________
    EXTRA CREDIT: Write down one metaphor OR one example of personification you found in today’s reading. ______________________________
Williwaw Chapter 7

Directions: Use your book to answer the following questions in complete sentences. You must start your answer with a capital and end with punctuation (a period, exclamation point or question mark). 

**ipad research must be done through K-9.**

1. **Choice**

   *Ivan and Sep decide to go to town even though it is foggy and hard to see.*

   **Motive (why did they go to town in the fog?):**

   _______________________________________________________

   _______________________________________________________

   _______________________________________________________

   **Was the choice right or wrong? Why?**

   _______________________________________________________

   _______________________________________________________

5. ***ipad research*** Research clam digging. There are some very neat You Tube Videos. (ask to use my computer) List 3 facts you learned about clam digging. Weebly also has a video from Discovery Education.

1. ________________________________________________________________
2. ________________________________________________________________
3. ________________________________________________________________

6. When they realized they could spend another night at home Ivan and Sep felt very **glarb** (not a real word!) because they could have one more day of freedom from their aunt and uncle. **Glarb** means ____________

7. September waded up her napkin and threw it at Ivan. “Don’t cry to me about it, Ivan. You got us into this mess, and I’m paying for your stupidity.” As Ivan started to throw it back at her, TC leaned between the simmering brother and sister. Ivan and Sep are ____________
a. fooling around b. bored c. happy d. angry e. messy

8. Ivan and Sep decide to tell Harry about their **predicament** when he gets back. **Predicament** means ____________

9. Write down one word you don’t know from today’s reading. We will go over it tomorrow.

Word ________________________ Page#__________
Williwaw Chapter 9

Directions: Use your book to answer the following questions in complete sentences. You must start your answer with a capital and end with punctuation (a period, exclamation point or question mark). **iPad research must be done through K-9.

1. How do Ivan and Sep know Mooseburger came to visit? What does Mooseburger know?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

2. Author’s technique/text feature* Write one simile you found in today’s reading. Page #________

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

3. Explain what you think that simile means.

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

4. List three important events from this chapter. Explain why they are important.

Event #1 ________________________________________________________________
This event is important because: ___________________________________________
________________________________________________________________________
________________________________________________________________________

Event #2 ________________________________________________________________
This event is important because: ___________________________________________
________________________________________________________________________
________________________________________________________________________
Event #3

This event is important because:

_____________________________________________________

_____________________________________________________

5. **iPad research** Research what a tide is and what causes a tide? Weebly has some videos!
1. ______________________________________________________
2. ______________________________________________________

6. “Oh please tell me our little bear hasn’t come in,” Sep said anxiously as she looked around the room expecting to see a mess of food, slobber and damaged furniture throughout the room. Sep is ________
a. curious     b. relaxed     c. concerned     d. hopeful     e. confused

7. Ivan sunk down lower in his seat. The waves bounced the boat around and his stomach ached as he tried not to think about tomorrow. He would be stuck at Aunt Nelda’s without any games or fun. Despite all of the milkshakes and fries with TC, he couldn’t help but feel ________ as he slowed to avoid the rocks. Tomorrow would stink!
a. hungry     b. sick     c. bored     d. upset     e. scared

8. Ivan and Sep skillfully weaved around the rocks in the cove. They slowed to approach the dock. Ivan killed the engine and hopped onto the dock to tie the boat up. Ivan __________ the engine.

9. Write down one word you don’t know from today’s reading. We will go over it tomorrow.
Word ______________________ Page# ___________
Williwaw Chapter 10

Directions: Use your book to answer the following questions in **complete sentences**. You must start your answer with a capital and end with punctuation (a period, exclamation point or question mark). **ipad research must be done through K-9.**

1. How did Harry know the radios were broken and that Ivan and Sep had been to town?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

2. Why did Mr. Mooseburger come over to Ivan and Sep’s cabin the day before? How does this show the **Theme of Don’t Judge a Book by Its Cover**?

Question:
________________________________________________________________________
________________________________________________________________________
I discovered:
________________________________________________________________________
________________________________________________________________________

7. TC looked stricken when he thought that he had gotten Ivan and Sep in trouble and he quickly apologized to them. Stricken means ________

8. The dinner Harry fed Ivan and Sep looked very unappealing to them so they decided not to eat much of it. Unappealing means _________

9. September clutched the dummy by the shoulder and quickly lifted the heavy dummy up to Ivan. Clutched means ______________

10. “Our little bear!” they cried and stood to see a patch of black tearing up the steep hillside. Tearing means_______
a. crying   b. running   c. ripping   d. walking
Williwaw Chapter 12

Directions: Use your book to answer the following questions in complete sentences. You must start your answer with a capital and end with punctuation (a period, exclamation point or question mark). **ipad research must be done through K-9.

1. List three important events from this chapter. Explain why they are important.

   Event #1 ________________________________________________________________
   This event is important because: _________________________________________
   _______________________________________________________________________
   _______________________________________________________________________

   Event #2 ________________________________________________________________
   This event is important because: _________________________________________
   _______________________________________________________________________
   _______________________________________________________________________

   Event #3 ________________________________________________________________
   This event is important because: _________________________________________
   _______________________________________________________________________
   _______________________________________________________________________

2. Did Sep tell Dad about the radio? Do you think she made the right choice? Give evidence (details and reasons) to support your answer!
   _______________________________________________________________________
   _______________________________________________________________________
   _______________________________________________________________________
   _______________________________________________________________________
3. Why did Harry name his boat the *Williwaw*?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

4. Compare and Contrast Alaska to Michigan. Draw and Fill in the Venn diagram first and then give at least 3 examples of how they are alike and different.

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

5. Ivan looked at his sister as one would any unexpected and totally strange development—such as returning home to find all of the furniture screwed to the ceiling and a cat serving biscuits and tea. He didn’t even know what to say. Ivan is ________

a. angry  b. curious  c. surprised  d. bored  e. amused
Williwaw Chapter 13

Directions: Use your book to answer the following questions in **complete sentences**. You must start your answer with a capital and end with punctuation (a period, exclamation point or question mark). **iPad research must be done through K-9.**

1. What directions did Harry give to Ivan and September? Be specific!

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

2. Did Ivan and September follow Harry’s directions? Why or why not?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

3. Do you think Ivan and September have learned from their mistakes? Why or why not? Give evidence!

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

4. How has September changed (evolved) during the book? (Hint: How is she acting differently?)

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
5. How does the author show through their words and actions that Annette and Sheri are nice? Be specific!

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

6. Write down a good question. No vocabulary questions please!

________________________________________________________________________
________________________________________________________________________

7. September entered the galley from the deck above with her cheeks flushed rose red from the chill harbor morning. Her face seemed to borrow its color from the sky behind her. The sky is ______
   a. blue      b. red      c. cloudy      d. clear      e. dark

8. Sep smoothed her wrinkled shirt and shaded her eyes from the hot sun. She looked at Sheri and Annette’s perfect clothes and then looked down at her clothes and quickly closed and buttoned up her coat all the way and looked away from the girls. Sep feels
   __________
   a. uncomfortable      b. cold      c. comfortable      d. warm

9. Amid the screeching gulls, groaning boat hoists and cursing deck hands, Ivan and Sep carted their packs along the dock. The harbor is __________
   a. busy      b. quiet      c. empty      d. dirty      e. boring

10. Write down one word you don’t know from today’s reading. We will go over it tomorrow.
    Word ______________________                      Page# __________
Williwaw Chapter 14

Directions: Use your book to answer the following questions in complete sentences. You must start your answer with a capital and end with punctuation (a period, exclamation point or question mark). ** iPad research must be done through K-9.

1. Who does Sep see going out on the bay? Why does this make her feel that the weather is fine?

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

2. How do we know from their actions and words that Ivan and September are enjoying the party? Be specific!

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

3. How did the author give hints that a storm was coming? Be specific!

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
4. Why did Ivan and Sep run out of the party?

________________________________________

________________________________________________________________________

________________________________________________________________________

5. *** ipad research*** Research Dock Side Traders in Alaska (Yes it is a real place!). Look at images and describe 3 details of how it actually looks.

________________________________________

________________________________________________________________________

________________________________________________________________________

6. Ivan was so hungry that he devoured the fries and cake as quickly as he got them. Devoured means ____________

7. The radios were tightly wrapped in plastic and water-tight but Sep carried the radios as carefully as possible because they were so delicate. She cushioned the radios by putting them inside the dummy where they would be safe. The radios are______________

<tbody>
<tr>
<td>Break Rules You Don’t Like</td>
<td>Honesty (be honest)</td>
<td>Learn from Your Mistakes</td>
</tr>
<tr>
<td>Don’t talk to Strangers</td>
<td>Kindness</td>
<td>Other (pick your own Theme)</td>
</tr>
</tbody>
</table>

Theme: ____________________________

Evidence (Clues): ________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________

6. Write down a good question. Research on the ipad and see what you discover!

Question: __________________________________________________________
________________________________________________________________________
I discovered…..____________________________________________________________
________________________________________________________________________

7. Mr. Mooseburger got wood and made a **garn** (not a real word!) to get the hot water ready for Ivan and Sep. **Garn** means ___________

8. Her dad sat heavily in his chair and looked from one to the other. A tense silence rang in the space around him as no one spoke. Harry coughed loudly and quickly headed for the door. “By gosh it’s darker’n my boot in here.” “I think I’ll go outside and fix those boards.” Harry is ________

   a. sick       b. uncomfortable       c. helpful       d. caring

*Extra Credit*: How did Ivan’s Dad know he had been hooking his game up to the radios?
Ipad Extension Activities:

***PLEASE remember that your questions and vocabulary must be done for the day as well as your weekly work, before you are working on ipad extension activities!

- Create an ibook/story kit or imovie on Alaska. Include ideas like:
  Climate, region, capital, state symbols, northern lights, crab fishing, animals found in Alaska.

- Research historical information on Alaska. Ideas could be oil spills, gold rush, Iditarod, Yukon Trail, purchase of Alaska, Tom Bodett (the author) or anything else you find interesting. You may create a poplet, prezi, or use any other app. to share your information with the class.

- Create a movie trailer/commercial on Williwaw, Alaska, the adventure genre, or any other idea you have that goes along with the book.

- Write a poem and add it to the poetry blog on the ipad.

- Create/design a new cover for the book and share with the class.
- Research and become an expert on tides or clam digging and teach the class about what you have learned!

- Do you have another idea??? An app that I am not familiar with??? Did you find a website that somehow ties into this book???? Please share! I would love to see what you have designed, found, or created!

Have Fun!!
