

Vocabulary Sort Instructions

Materials:

- Word List
- Handouts
- Pencil

Instructions:

Look over your vocabulary words. Do you see any patterns?

Think about how the words are related.

Come up with 3 categories for the words. Categories can include:

- a. Parts of Speech (nouns, verbs, adjectives)
- b. Similar affixes
- c. Similar definitions (relating to a similar topic)

Sort the words into the three categories.

Write a short explanation explaining why the words fit in that category.
